WEATHER KEY POINTS

04/13/19 - 04/19/19

Saturday

- No impacts expected today.

Sunday-Tuesday

- Precipitation will be confined to far northern CA with dry conditions across the rest of the state. No significant weather impacts expected.
- Winds will increase across extreme southern California, bringing the potential for minor impacts across the region.

Wednesday-Friday

- Increased temperatures late next week will begin to melt snowpack and will likely lead to rises in rivers and streams. No flooding impacts expected at this time.
- Winds will increase across a wider area of southern California, bringing the potential for minor impacts across the region.
- There is potential for hot and dry conditions with offshore flow for the end of next week across Southern CA.

CALIFORNIA WEATHER IMPACTS

04/13/19 - 04/19/19

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-510, 03/27/19:** On Tuesday, 03/26/19, a traffic collision occurred on US 50 at Pioneer Bridge. A vehicle, believed to contain 2 occupants, traversed off the bridge into the Sacramento River. Sacramento Sheriff's Office (SO) and the California Highway Patrol (CHP) are working in Unified Command reference this recovery. **UPDATE: 04/12/19:** The salvage platform arrived on site and secured over the recovery site. All involved agencies briefed at 0600 hours and deployed. Sacramento SO and Sacramento Police Department (PD) Marine Units provided waterborne security and safety. During operations, approximately 20 family members of the victims arrived and were briefed by CHP. They remained on scene for the duration of operations. Divers located the truck and began their operational assessment. Red Cross provided a canteen and lunch to support the recovery mission, to include the victim family members. They will return to support Saturday operations and include a family support counselor. Plan for Saturday mission is continued assessment and possible attempt to remove the truck from the river. **MISSION ONGOING.**

Cal OES MISSION TASKING

Cal OES Missions

- **2019-SOC-275:** Request for Caltrans Engineer to provide initial technical assistance and determine the scope of the storm drain assessment project alongside city contractors for the town of Paradise. (Coordinating)
- **2019-SREOC-57753:** Requesting equipment to excavate material from under road culverts. (On Scene)

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
